# Got a Great Photo?

Do you have a great photo of a Cub Scout Den or Pack 734 Activity? We'd love to add it to our growing photo archive. We will be enjoying these treasures in presentations at upcoming events.

Please send digital photos along with the Pack or Den Activity, Den Number, and Date. To submit one or two photos, e-mail to your Den Leader. For more than two photos, please submit on a CD to your Den Leader or any committee member. Please pre-screen and submit only edited photo bundles.

**Thank You!!**
