

Popcorn Site Sales

Pack 734 is offering two separate opportunities for Scouts to meet at a sales location to sell pre-purchased popcorn. They are invited to do this in addition to selling on their individual popcorn sales sheets. Our Pack has pre-purchased several cases of popcorn for on-site sales. Scouts will sell Boxes and Cans of Popcorn to local shopping customers.

Two separate dates are available. Scouts may participate at either or both events for all or part of the sales periods.
